Redondo Beach Blvd. Due For Another Storm Drain

Construction of an additional bond issue storm drain in the Gardena Valley area in the near future was seen this week with the announcement by Supervisor Kenneth Hahn that Flood Control officials are now reviewing the final plans for the Redondo Beach Blvd. project, No. 306.

Designed by Harold A. Barnett, City Engineer of Gardena, the Redondo Beach drain will empty into a new drain planned by Torrance, known as project 242, the Arlington-Gardena drain. Bids for this latter drain will be opened on Sept. 2.

Allocated \$105,400 of bond orphans.

NTCIA Will Choose Leaders

Plans for the election of new officers for the North Torrance Civic Improvement Assn. were made last Thursday by the nominating committee with Ed. Nobbe acting as committee chairman.

The committee announced that it has selected nominees to place before the Civic Organization Membership for consideration.

The committee stressed the importance of active participation by residents and home owners in such civic and public organizations as NTCIA for the welfare of communities in which they exist. Every effort will be made and should be made by every member of the organization to be present at the meeting on Wednesday night, Sept. 7, at 8 p.m., at McMaster Hall, members are urged.

Invitations to the Sept. 24, Inaugural Dance, are now available to friends and members of NTCIA. The invitations may be obtained by calling Mr. or Mrs. Ed. Nobbe at FR 2-0823, or by picking them up at 4143 W. 175th Place.

The gala celebration of the sixth anniversary and the installation of officers for the Western Club Cafe, with buffet supper and dancing as part of the evening's fun.
